Dear Applicant:

As the State of Florida's leading exam preparatory school, we can provide you with everything you will need to obtain your State license. Since 1971 we have helped thousands upon thousands of contractors realize their dreams of independence, and we have no doubt we can set you on the same road to success. In fact, we can almost guarantee it because we make it our business to see that you are successful.

The program of preparation is divided into 2 phases, home study material and classes which are conducted before all state examinations. It is important that all candidates complete the home study phase and attend the 4-day seminar (listed on following page). It is at these seminars that new information relative to the examination and any items not covered in the DVD's will be discussed.

STATE MECHANICAL & AIR-CONDITIONING CONTRACTORS EXAM SEMINAR SCHEDULE

Everything you need to know about obtaining a contractors license explained in detail. State exam applications. Required reference books at discounted prices. Guaranteed lower than any other bookstore. Sample exams and DVD's for home study.

1. Tests will be given in **Orlando, Miami, and Tallahassee**. All applications must be received 30 days prior the beginning date of each test.
2. Exam fee is \$135.00 You may retake subsequent exam(s) to pass any part or parts you fail. (up to 6 exams a year - 2 years max).

PREPARATION FOR THE STATE EXAM CONSIST OF 2 PHASES:

Phase One: 20 hours of DVD instructions that can be viewed at home. A reference manual containing previous test questions and practice exams.

2 DVDs (for home study) answering 43 accounting questions. (Represents 1/2 day of the first day of exam).

Phase Two: Consist of 4 day seminar where recent test questions will be reviewed, 2 days for technical/trade; 2 day for business portion of exam.
